

**Lake Norman REGIONAL BICYCLE Plan
Public Comment Meetings
October 26, November 2, November 9**

Three regional bicycle planning public drop-ins are scheduled for October 26, November 2 and 9, from 7:00 p.m. to 8:30 p.m., at the following locations:

Monday, October 26th at Cornelius Town Hall, 21445 Catawba Avenue, Cornelius, NC

Monday, November 2nd at Troutman Town Hall, 400 N. Eastway Drive, Troutman, NC

Monday, November 9th at Unity Presbyterian Church, 8210 Unity Church Road, Denver, NC

The Lake Norman region is developing a plan to create a safe and lasting bicycle network to encircle Lake Norman, and invites all interested citizens to attend one of these comment meetings. Come learn about the history of the project and review the draft route and its recommended improvements in a highly interactive work session. Your comments will provide vital input in determining the validity of routes and strategies for projects in the future.

The meeting will be facilitated by Centralina Council of Governments, a regional planning organization committed to vital, prosperous and sustainable environment. Centralina has worked with staff from each of the counties and municipalities of the Lake Norman area, along with a steering committee made up of a variety of stakeholders, for the past nine months in the development of the plan. Steering Committee members will also be in attendance to answer questions.

For more information please contact Bjorn Hansen, Centralina Council of Governments at 704-688-6501 or e-mail at bhansen@centralina.org
